On July 16, STANLEY SCHACTER, U. S. Customs,
Miami, advised SA CHARLES A. RHEW that the boat under-
going repairs by MANOLO AGUILAR at the Harbor Marine
Boat Yard was under surveillance by that agency. He added
that according to reports received by his agents, work was
progressing very slowly on the boat, and that AGUILAR
might be short of funds. SCHACTER said AGUILAR did not
appear to be in any hurry to make a trip, and that he
estimated it would take at least another two weeks before
the boat could be put in condition to travel. He said he
had not seen AGUILAR in his office for about three months
